Donations: Since its founding in 1917, Bird Protection Quebec has been active in bird protection and advocacy. In addition to managing and maintaining several bird sanctuaries, we sponsor numerous bird-related education and research programmes. Bird Protection Quebec also purchases land for bird sanctuaries, often in cooperation with other conservation organizations. Your donation assists in funding these activities and helps protect Quebec birds. Tax receipts are issued for all donations of \$10.00 or more (charitable registration 11925 2161 RR0001). We also welcome donations of appropriate land for sanctuary use. For more information on donations, please contact Jean Gregson, telephone: 514-457-4172, email: bpqfinance@gmail.com.
